Naviate.com – Symetri SSO

We have now switched on the SSO authentication from Symetri, connected to the login on www.naviate.com

That means that all users must sign up through Symetri SSO. The workflow for doing this is as follows.

Existing member on www.naviate.com

Customers that already have a user on www.naviate.com should choose “Log In”

Nonmembers please go to step 2.

I hereby agree that I want to receive marketing emails from Symetri Europe AD

By signing up, you agree to our terms of service and privacy policy. We will send you an email for you to verify your account.

SIGN UP >

Fill in relevant information as email, password, company and name. It's important to fill in information on all fields!

Then you click “Sign Up”.

Verification of Email

After logging in or signing up, we will send you an email to verify your email address.

That means that until you have verified that email you will not be able to Login on www.naviate.com

Verifying your email

You have now received an email from Symetri Europe (noreply@symetri.com)
If you don't find it in you Inbox, please check your Spam folder.

Next step is to “Verify my account” and by doing that you will get this confirmation.

Then you go back to www.naviate.com and choose Login and fill in your email address and your password.

Authorization of app

First time when logging in you will get this dialogue presented.

You need to click “Accept” to connect your Symetri ID with www.naviate.com.

Successful Login

When you have successfully created and authorized your account you will see this page.

Quality, accuracy and control

You will also have direct access to the download page www.naviate.com/downloads
