# Symetri e-learning and Symetri Single Sign On (SSO) for Naviate

Naviate for Revit  
Version 2.0

## Symetri e-learning and Symetri Single Sign On (SSO)

If you have access to Pinnacle Lite, you now have a new login to Pinnacle. The login is now connected to Symetri Single Sign On (SSO).

This SSO process secures a common login ID for you on all Symetri platforms once everything is ready. Pinnacle Lite users are first with this new login. That means that all Pinnacle Lite users must sign up through Symetri SSO. The workflow for doing this is as follows (the user needs to exist in Pinnacle Lite ahead of following this process).

### Start Pinnacle

- Start Pinnacle <https://portal.pinnacleseries.com>
- You will only see your email address and chosen language
- When you click login you will be forwarded to Symetri SSO

Pinnacle Series Sign In

jtb@cad-q.com

English

Sign In

### Symetri SSO

- If you don't have an SSO account with Symetri, you need to sign up
- Note: You can login with your naviate.com account

SYMETRI  
ADDNODE GROUP

Log in with a Symetri Europe account to continue to Pinnacle

Log In Sign Up

j@ours@example.com

your password

Don't remember your password?

LOG IN >

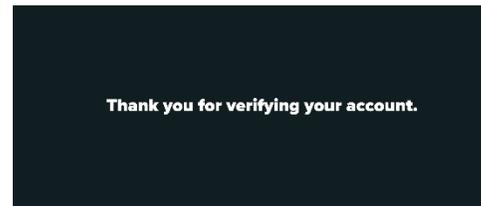

## Create a SSO account

- Fill in relevant information as email, password, company and name. It's important to fill in information on all fields
- Then you click "Sign Up"

The screenshot shows the Symetri Sign Up form. At the top, it says "SYMETRI ADDNODE GROUP" and "Sign Up to Symetri Europe to access Pinnacle". Below this are two tabs: "Log In" and "Sign Up". The form fields include: Email (jtb@cad-q.com), Password (masked with dots), Company (Symetri AS), First Name (Jan Tore), and Last Name (Bugge). There is a checkbox for "I hereby agree that I want to receive marketing emails from Symetri Europe AB" which is checked. At the bottom, it says "By signing up, you agree to our terms of service and privacy policy." and a "SIGN UP >" button.

## Verification Email

- After signing up, we will send you an email to verify your email address
- You cannot login before you have verified the email
- Once verified, you will get this confirmation

You can now go back to the Pinnacle Lite login page and click sign in with Symetri SSO.

The image shows a 'Sign In' form for Pinnacle Series. It features a blue header with the Pinnacle Series logo and the text 'Sign In'. Below the header, there is a text input field containing the email address 'jtb@cad-q.com'. Underneath the email field is a dropdown menu currently set to 'English'. At the bottom of the form is a blue button labeled 'Sign In'.

The image displays the NAVIA TE dashboard. At the top left is the NAVIA TE logo. A search bar with the placeholder text 'Search all content' is located at the top center. The dashboard is divided into several sections: a 'TRENDING ASSETS' section with a video player icon and the text 'Insert local image, video'; a 'MY COURSES' section with a book icon and a message stating 'You are not currently enrolled in any Courses. The Learning Center is an area where you can search and enroll in Training Courses.' Below this message are links for 'Learn more about enrolling in Courses' and 'Go to the Learning Center'. On the right side, there are three panels: 'Upcoming Live Events' listing two webinar series for July 2, 2021, and August 5, 2021; 'My Assets' with a note about adding assets; and 'Download Add-ons' listing 'Pinnacle User Tools' updated on 12/23/2020 and 'Deployment Guide'.
